ABOUT COIN

The vibrant town of Coin is a beauty with plenty of history and sights. As you arrive, you will drive through fields of orchards, oranges, lemons, olives, almonds and forests such as Alpujata, La Fuente, El Charco del Infierno and La Albuquerque. You will feel a world away from civilisation and indeed Coín is referred to as the town of three hundred orchards.

There are many lovely squares, known as Plazas, where you can relax with a coffee, listen to the fountains and watch the world go by. Try Plaza de la Via or Plaza Alameda.

When occupied by the Moors, Coín was known as Dacuan and was an important town in the region. Although Coín's economy has largely relied on agriculture, it also has been a producer of marble and ceramics, perhaps you have heard the term 'green Coín'?

Coin is located 36km south-west of Málaga, at an altitude of 210 metres above sea level overlooking the stunning Guadalhorce Valle. The climate has mild winters and hot summers and more than a third of the days of the year are sunny. Its municipality has an area of 128.4 km² and welcomes its almost 22,000 inhabitants, who receive the name of coineños or coínos.

The Listing agent for itself and as agent for the vendor gives notice that:

1. These particulars are only a general outline for the guidance of intending purchasers and do not constitute in whole or in part an offer or a Contract.
2. Reasonable endeavours have been made to ensure that the information given in these particulars is materially correct, but any intending purchaser should satisfy themselves by inspection, searches, enquiries, and survey as to the correctness of each statement.
3. All statements in these particulars are made without responsibility on the part of Listing agent or the vendor.
