Costa del Sol, Torremuelle

For the lovers of sea views, it doesn't get better than this! Located in a typical Andalusian Style pueblo, the views of this appartement are simply stunning: panoramic sea views and amazing views of the old watchtower of Torremuelle and the romantic lights of the Fuengirola bay in the backdrop.

This cosy top floor appartement consists of one very large bedroom, with possibility to create a dressing and one bathroom, a small kitchen and a cosy lounge with open fire and balcony.

A spiral staircase leads to the rooftop terrace, where the covered terrace has been transformed into another suite with open bathroom. The very spacious rooftop terrace has open sea views, a barbecue and an outdoor shower.

This part of the urbanisation has a nice and quiet communal pool.

This is also the perfect place to spend holidays without the need to rent a car: Torremuelle Train station is only 500 meters and goes directly to Malaga Airport, Playa Bonita is 4 minutes walk, restaurants and shops are just around the corner but also close to the Trocadero and Yuccas.

With some renovation and care, this could be the perfect spot to write memorable lines in your holiday diary. Viewings are highly recommended!
